YOUR college years have coincided with two of the most action packed peace-time years in the world's history. Despite the inevitable insistence of academicians on prosaic requirements, you have felt the excitement, challenge and pressure of change in your classroom instruction.

Even though the secrets of the universe may be unlocked by man in his increasing knowledge and wisdom, the operation and preservation of the world depends on man's humility in the use of his power in the face of God's intent and purpose.

Remember that College is never an end in itself, only an early chapter in your life-long struggle to identify yourself, choose a path of direction, prepare for it and achieve it.

Go forth with greater wisdom and more humility.

Edwin H. Miner, *President*

WE hear much said about the "lost" generation and the indifference of youth. I do not believe this, for the present college generation has assuredly not given up its spirit of adventure. The world, as we are disconcertingly aware, has already embarked on what may well be its greatest adventure—the exploration of space, measuring the immeasurable, defining the infinite. There is enough excitement in these fantastic undertakings to challenge the adventurer in each one of us. The next 20,000 years may be difficult. To pull through, we shall have to develop spectacular imaginations and cosmic wisdom, but such things are not impossible for the venturesome. I have known hundreds of college students and I believe strongly that the overwhelming majority of them have that great sense of adventure.

STUDENT SENATE

THE Officers and the Senior Senators for the 1957-1958 Orange County Community College Senate were elected last May. They are as follows:

<i>President</i>	Bruce Earle
<i>Vice-President</i>	Pete Edraos
<i>Secretary</i>	Ruth Dietz
<i>Treasurer</i>	Mike Hershkowitz

Senior Senators: Bob Prause, Pat Darcy, Winnie Kipp, Don Hamilton, Lee Barkman, Ginny Bull.

At the beginning of this school year, elections were held to choose our Freshmen Senators: Doug Neyer, Beth Rosenblum, Anita Colini, Gil Boyd, Steve Pappas, Nick Welsh.

On February 20th and 21st two additional freshmen, Barbara Bascom and Bob Dederick became Senators. Four Freshmen Senators resigned from their positions for academic reasons. Flo Blake and Fred Schleutermann, runners-up of the October 24-25th elections, were automatically appointed as new Senators.

NEW CLUBS ORGANIZED (approved by the Senate): Ski Club, Boarders' Club, Pipe Smokers' Club, Twirlers' Club, the "Occettes."

A lounge committee, headed by Don Hamilton, was appointed to help keep the lounge in order. The lounge has been reorganized by Senate members; new lamps and ashtrays have been placed on the tables.

The Senate approved a \$200 grant in aid for an entering Senior

who needs funds and has a 2.5 average. They also appropriated \$300 for the Doctor Spangher Fund.

The Student Senate sent flowers to Dr. Miner who had an unfortunate accident which sent him to the hospital.

One of the biggest projects of the Senate was their support of the SUNY Bond Issue. They participated in a parade in Middletown which included the jazz band, the cheerleaders, and other students of OCCC.

At the beginning of the year and in January, a Welcome Frosh Dance was held to welcome all incoming Freshmen. This affair was sponsored by the Senate and was held at the Legion Lodge. The Senate appropriated a fund to have a stu-

dent at the door of the lodge to collect tickets and money.

"Silver Bells," the Christmas Dance, was named by Joanne Contos in a contest run by the Senate. She won a free ticket to the dance for herself and her escort. Beth Rosenblum was in charge of the dance and did a very fine job.

The Graduation Ball which will probably be held on June 2 is another dance sponsored by the Senate. The Senate has appointed a committee to try to locate a place to hold this dance and Sha-Wan-Ga Lodge, last year's site, is being considered.

Charlie Beck, an appointed member of our Senate, is vice-president of National Student Association. He has attended many conventions,

one in Ann Arbor at the University of Michigan. On October 18, 19, and 20 the members of the Senate attended a SUNY convention at the Legislative Chambers in Albany. On February 8, 9, 10 a convention was held at Oswego for the purpose of ratifying the SUNY constitution.

All rules for the campus which include smoking, parking, canteen, cafeteria rules and many others are set up and approved by the Senate. Many of the rules are set up by the rules committee headed by Bill McGovern who also serves as Judge and attends Senate Meetings.

All meetings are held on Tuesdays at 11:00 A.M. Any student of the college is welcome to attend the meetings and the Senate always welcomes any suggestions that visitors may have.

First row, left to right: Joan Zumpono, Valerie Kovalcik, John Biroc, Katherine Canelides, Grace Greaves, Beth Rosenblum. APPRENTICE PLAYERS

THE Apprentice Players, Orange County Community College's dramatic club under the supervision of Dr. Manuel Rosenblum, was formed to give its members a better understanding of the different aspects of the stage.

The officers of the Apprentice Players this year were John Biroc, president; Carla Decker, vice president; and Valerie Kovalcik, secretary-treasurer.

This year, as in previous years, the club's major activity was the production of a play. This year's production was Euripides' story, *The Cretan Woman*, translated into English by Robinson Jeffers.

The very able cast, under the direction of Dr. Rosenblum, included Katherine Canelides, Grace Greaves, Pete Swenson, John Biroc, Ruth Dietz, Faye Lipschutz, Charlie Murphy, Ginny Bull and Peggy Stacklum.

Professor Ariel Dingwall, a professor of theatre at Hunter College, was guest speaker in March at one of the Club's Dinner Meetings at Diana's Hotel.

Sal Rizzo, Grace Greaves, John Fanatico, Doug Neyer, Dick McGill, Mr. Meyer, Dominick Shalla, Dave Cunningham, Pat Murphy, Bill Mellin, Nick Cardaropoli, Ted Sahlin, Bernie Quinn, Lou Voit, Charlie Murphy, Bab Jessup, Ira Pasner, Ulrich Schaafhausen, Ivan Irkliewsky, June Crass, Carol Wenchel, Mike Herskowitz, Joe Fister, Frank Ponte, Ed Meralo, Jerry Rotter, Enrique Cruz, Carol Salman, Diane Luskin, Faye Lipschutz, Carol Tarrens, Ray Levine, Bob Schock, Beth Rasenblum, Paul Caaper, Frank Jannoti, Bob Clark.

THE purpose of this club is to improve the life of the student away from home by providing recreational and cultural facilities for all boarders.

A group of students, boarders in Middletown, headed by Dick Mills, conceived the idea of forming an organization to carry out these plans.

The Boarders Club became a reality in December of 1957 when the constitution was approved by the Student Senate.

The first president of the club, Jack Reuter, resigned and was succeeded by John Fanatico who also resigned. The original officers were: John Fanatico, vice-president; Ellen Lindeborg, secretary; and Sal Rizzo, treasurer.

The officers for this semester who are leading the club toward its goal are: Doug Neyer, president; Sal Rizzo, vice-president; Grace Greaves, secretary; and Dick McGill, treasurer.

BOARDERS CLUB

BUSINESS CLUB

THE Business Club, one of the largest clubs on campus, has 70 members who are mainly accounting students, business management majors, teaching and business students, and secretarial science majors. All other students are welcome to join. The goal of the Club is to give its members a better understanding of today's business world.

The Business Club originated the Coffee hour, when they serve coffee and donuts to all students while the Jazz Band provides the music. This year, the Club held four such Coffee hours. The Club also sponsored a Tea for the Secretarial Science students with Mary Sahara, from the South-Western Publishing Company speaking; a hayride dance, and a Bermuda shorts dance at the Legion Lodge; and the Spring Formal held at the Meadow-Brook Lodge.

The Club tries to help its members as well as the entire Student Body to become acquainted with men in industry and in the business field. This year, Robert Elting, a representative from IBM spoke on "Job Opportunities."

The Officers for this year were:

<i>President</i>	Michael Hershkowitz
<i>Vice-President</i>	Kathleen Ames
<i>Secretary</i>	Marion Davis
<i>Treasurer</i>	Richard Zadanoff
<i>Faculty Adviser</i>	Mr. Charles Reilly

A COLLEGE newspaper is a necessary item in the life of the college student. It lets him know what is happening on campus and thus interest in college activities is created.

In September, under the supervision of Gloria Eisenberg, the paper was off to a good start. In January Miss Eisenberg resigned and the paper was reorganized with Frank Ponte as its editor.

Four members of the staff represented OCCC at the New York Press Conference on November 21, 22, 23. The conference was held at Cortland State Teachers College.

Sal Rizzo was nominated as the delegate for next year. Helpful pointers on the improvement of college newspapers were discussed at the conference.

The members are willing to work so that the rest of the student body can be well informed about what is going on around campus.

EL CLUB ESPANOL

FOR its second year at Orange County Community College, El Club Espanol elected Manuel Tejeda, President; Marlene Pahuki, Vice-President; and Margaret Burbank, Secretary. Mr. Moses Stivers was the faculty adviser. There was an increase of ten in membership this year.

On November 4, the club took a field trip to New York City. The members visited the Hispanic Society in the morning, and in the afternoon the group saw a Spanish movie. In the evening they had dinner at the Jai-Alai Restaurant in Greenwich Village after which they motored to the Brooklyn Academy of Music to see Carman Amaya and her troupe perform.

The club participated in the Variety Show and in the Christmas program by singing Spanish songs.

During Pan American week, April 11, the club sponsored a dance at the Legion Lodge. The "Spanish Fiesta" at the lodge was gracefully decorated in Spanish fashion by the club members. A special feature of the evening was the entertainment performed by the club.

Plans for a field trip to Mexico were discussed with much interest and excitement this year but had to be postponed due to many difficulties.

THE College Readers is a club activity for students who enjoy reading aloud together. The group meets once a week to work with poetry and poetic prose for speech improvement purposes as well as the enjoyment of literature. Over the past few years they have presented a wide range of programs both on and off campus. These have included "John Brown's Body" by Stephen Vincent Benet and "America Was Promises" by Archibald MacLeish. This year, instead of presenting a choral reading program, the club sponsored the first OCCC Oral Reading Festival. There were three reading hours of poetry, prose and drama followed by a Festival luncheon. Mrs. Thera Stearns formerly of the Speech Department of Michigan State University evaluated each of the reading hours and was guest speaker at the Festival luncheon.

For the past three years the College Readers have sponsored a cake sale to help send a representative to the annual Apple Blossom Oral Reading Festival at Michigan State University.

Under the direction of Miss Evelyn Steele the club concluded their activities at the graduation exercises by reading from the Psalms for the Invocation and Benediction.

1958 COLT

A YEARBOOK carries fond memories of bygone days, a link with happiness past, but few of us realize all the trials and tribulations that have been experienced by those who have worked on its publication. The staff of the 1958 COLT, under the guidance of Mrs. Elena Horton and Mr. Allen Hanson has been working diligently since the fall semester. Only with the full co-operation of the Art, Sports, Literary, and Photography Staffs were we able to give you the finished product of the COLT.

As years pass by, and you leaf through these pages, may you find many happy memories and cherish this COLT.

THE Hebrew Club is a newly formed group on campus, having come into existence this year for the first time. This club is dedicated to the purpose of fostering and preserving Jewish culture and contributing to the welfare and education of Orange County Community College students and to the community. With and help of its spiritual advisor, Rabbi Goldblum, and faculty advisors, Mr. Sussman and Mr. Meyers, the club was able to hold socials once a month at the local temple. During the year the group also held a coffee hour and a dance for the student body. A model Passover Sedar was conducted by the group to give the student body an opportunity to taste and enjoy the many delicacies offered on this holiday and to observe the way in which Jewish services are performed.

MUSIC DEPARTMENT

VARIOUS sounds can usually be heard coming from the fourth floor in Morrison Hall, the home of the college's combined Carnegie Hall and Birdland.

Music plays an important part in the life of college students here on campus. This has become evident by the increasing interest in the various music groups. The band and orchestra both participated in the Music Department's "57 Varieties," the annual talent show. At Christmas time both organizations again shared honors in the annual Christmas program. The chorus's regular Yuletide broadcast also took place over the local radio station. In order to keep up with the times, the band and chorus took an early Spring trip "Around the World in Music." To end the year these groups went on tour, visiting

several area high schools. Other performances included Open House and Graduation.

Aside from the band and chorus, another popular group was the jazz band. This group could usually be heard performing for the Coffee Hour and other college activities. The Brass Septet has been another activity ensemble with performances on and off campus.

The Madrigal Singers was another active group. The Singers appeared before service clubs and other college functions. The Girl's Trio is another new group. We hope to hear more of them in the future.

In the year to come, the Music Department will say goodbye to their quarters on the fourth floor of Morrison Hall. Upon completion of the new campus building, the Music Department will take up quarters in the new Student Union Building.

INTERNATIONAL RELATIONS

THE purpose of the International Relations Club is to foster an active interest and deeper understanding in the nations of the world.

The club has joined the Collegiate Council for the United Nations, a college organization devoted to the United Nations. As a member of this organization, the club participates in diversified projects carried out on a national scale in support of the United Nations, such as the annual Collegiate Council for the United Nations Model General Assembly. Each participating college represents a United Nations member. The International Relations Club, representing Saudi Arabia, sent eight delegates to this year's assembly at Wilkes College in Wilkes Barre, Pennsylvania.

In addition to their Collegiate Council for the United Nations work, the International Relations Club invites speakers to the college to discuss issues of international significance.

Many of our students have travelled abroad, as Robert Dederick did while he was in the service. The club encourages them to show films and slides or tell of their experiences.

The club also sponsors field trips and social activities.

The officers are chosen for one year.

THE Newman Club consists of students who are actively interested in the Catholic religion, but this club is open to everyone who is interested in Catholicism.

Father Rogers of the Carmelite order is spiritual director, and Mr. Moses Stivers is faculty advisor.

The executive committee consists of Bob Kane, President; Deirdre Manning, Vice-President; Pat Darcy, Secretary; Karl Grimm, Treasurer.

During the meetings Father Rogers spoke on problems that occur in the life of a Catholic college student. Everyone is invited to these meetings as well as to the conventions which are held in New York City and New Paltz, New York.

Bernadette McCormick attended the convention in New York City in January of this year. In March the members went to a convention in New Paltz. At these conventions the young people discuss their problems. The topic for this year was "Upstate Newman Clubs." Our club has the problem of being located too far from the other Catholic Clubs in various colleges.

The Newman Club numbers twenty members and meets twice every month in room 209 in Hudson Hall.

As has been the custom in the past, the club sponsored a Communion Breakfast this past spring.

PROTESTANT FELLOWSHIP

THIS year the Protestant Club's activities were highlighted by four dinner meetings held at local churches in the area. The guest speakers included Robert Bonthius, Ph.D., chaplain of Vassar College, and William Cole, Ph.D., of Williams College. The subject of their lectures and the main theme towards which the club directed most of its activities was "Preparation for Christian Love and Marriage." The club had a book exhibit in the college library on this subject. Besides monthly dinner meetings, the club held two regular business meetings a month.

At Christmas time the club provided funds for a Christmas dinner to help a local needy family.

A trip was made by the group to the Middletown Seventh Day Adventist School, where they examined the educational standards of a school of this type as compared with public schools, and also gained an insight into how religion can harmoniously combine with education under proper supervision.

During the first semester the roster of officers was: Allan Foster, president; Stanley Keasel, vice-president; Juanita Prestipino, secretary; and Tomasina Durante, treasurer. During the spring semester Stanley Keasel was president; Anthony Shostak, vice-president; Esther Club, secretary; and Juanita Prestipino, treasurer.

The club was assisted by the guidance of Mr. V. Robert Heisey as faculty advisor, and the Rev. Herbert M. Barrall, rector of Grace Episcopal Church, the Rev. Joseph Hedges and the Rev. David Pierce, pastors of Webb Horton Memorial Presbyterian Church as spiritual advisers.

SKI CLUB

THE Ski Club was formed on December 2, 1957, under the direction of Ivan Irkliewskij, Harry Biccum and Gil Boyd. The organizational charter was approved by the Student Senate on December 12, 1957.

The purpose of the Ski Club is to promote the sport of skiing, to develop healthy, physically sound bodies, to keep its members physically fit to meet the problems of life, and to help fulfill the social obligations created by our ever increasing population. The membership is open to everyone of Orange County Community College, including the faculty and staff.

The following are officers:

<i>President</i>	Ivan Irkliewskij
<i>Vice-President</i>	Gil Boyd
<i>Treasurer</i>	Bob Caplan
<i>Secretary</i>	Sandy Rodin

The club was formed with twenty-four original members and the membership increased to thirty-two members. Mr. Richard Sonnergren is the faculty adviser.

The club sponsored several skiing trips to Stowe, Vermont; Belle Ayre, New York; Holiday Mountain, New York; and Roxbury, New York. It also set up a Christmas display on campus and sponsored a Ski Club Dance.

The club hopes in the near future to be a member of the United States Eastern Amateur Ski Association and enter in competitions with various other colleges.

<i>President</i>	Catherine Morrison
<i>Vice-President</i>	Ray Shipman
<i>Treasurer</i>	Vincent Triola
<i>Secretary</i>	Claire O'Dea

There are approximately thirty members of the club, most of whom intend to become teachers. The purpose of the Teacher Education Club is to acquaint the members with the various levels which they are interested in teaching and to assist transfer students with their programs.

The Teacher Education Club has been very active this year. It sponsored an OCCC pin sale, the profits of which will be donated to the Retarded Children Fund. A play was presented by the club to the North Junior High School in Newburgh for Career Day.

Several speakers such as Mr. Beman Lord and Mrs. Amy Bull Crist have lectured to the club.

A field trip to the Hunter Elementary School was planned in March of this year.

Marion Davis, Roberta Werlau (Co-Captain), Carol Torrens, Sandy Vaughn, JoAnn Poucher (Co-Captain), Dorothy McCarthy.

THE Occettes, under the direction of Jo Ann Poucher and Dorothy McCarty, co-captains, will be twirling at the soccer and basketball games next year.

Meetings of the Twirling Club are held the first Thursday of every month, and practices are held every Wednesday of the week for two hours. The girls are now working on the standard and double LL formations for the basketball games next semester.

All students with an interest in twirling are invited to attend practices. Tryouts for the squad are held at the beginning of the Fall semester.

The Twirling Club has Carol Torrens as secretary and Miss Diana as adviser.

The following girls were on the squad for 1957-58:

- Jo Ann Poucher
- Sandra Rau
- Ida Elliot
- Bunny Onarati
- Dorothy McCarty

TWIRLING CLUB

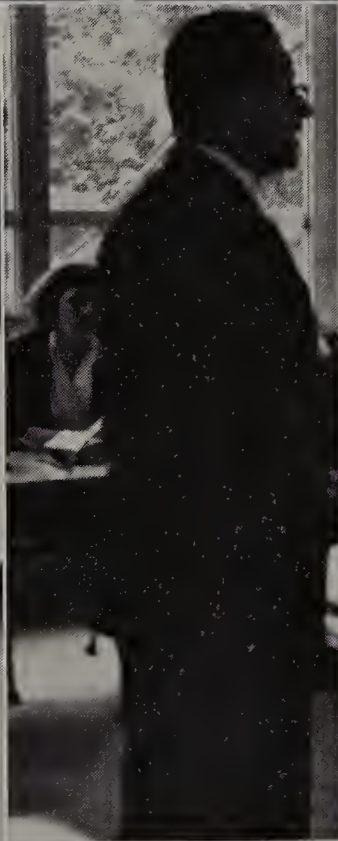

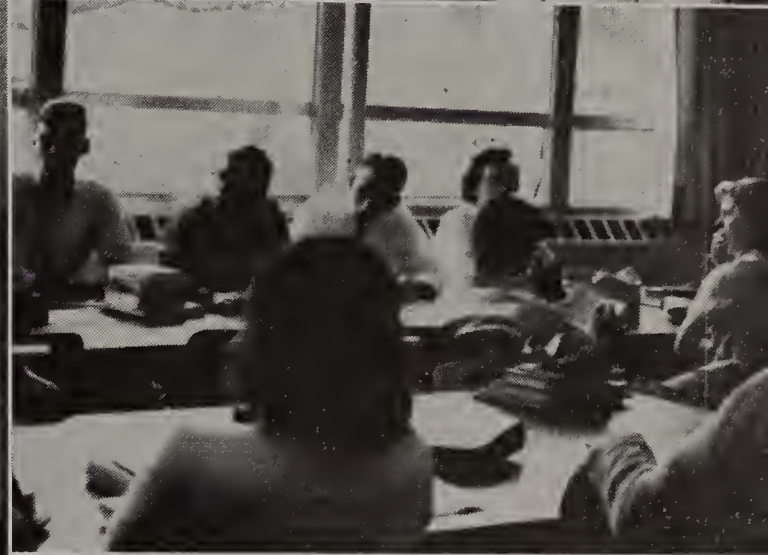

VETERANS CLUB

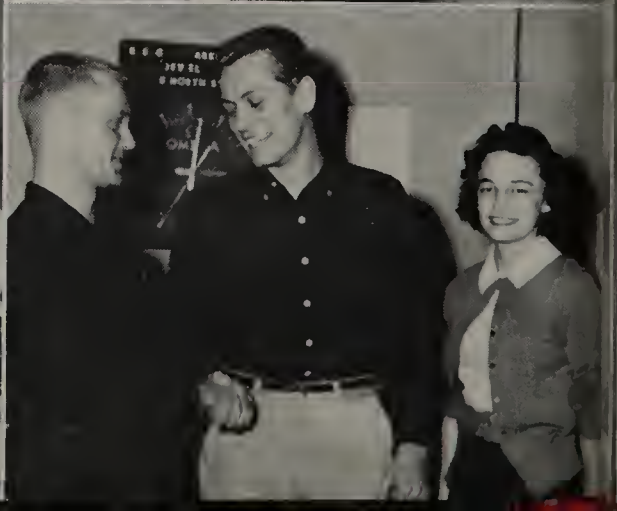

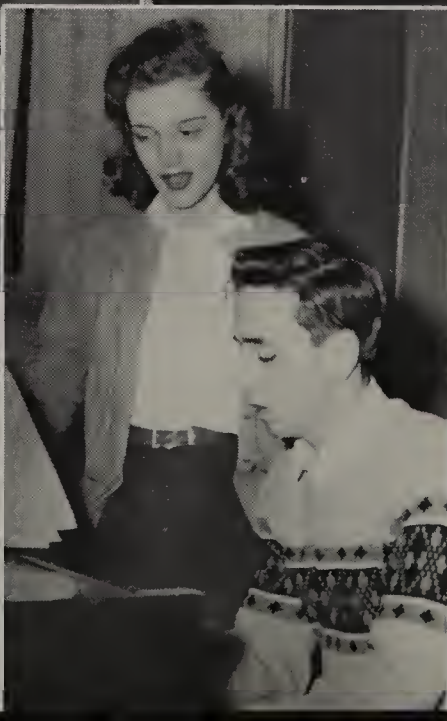

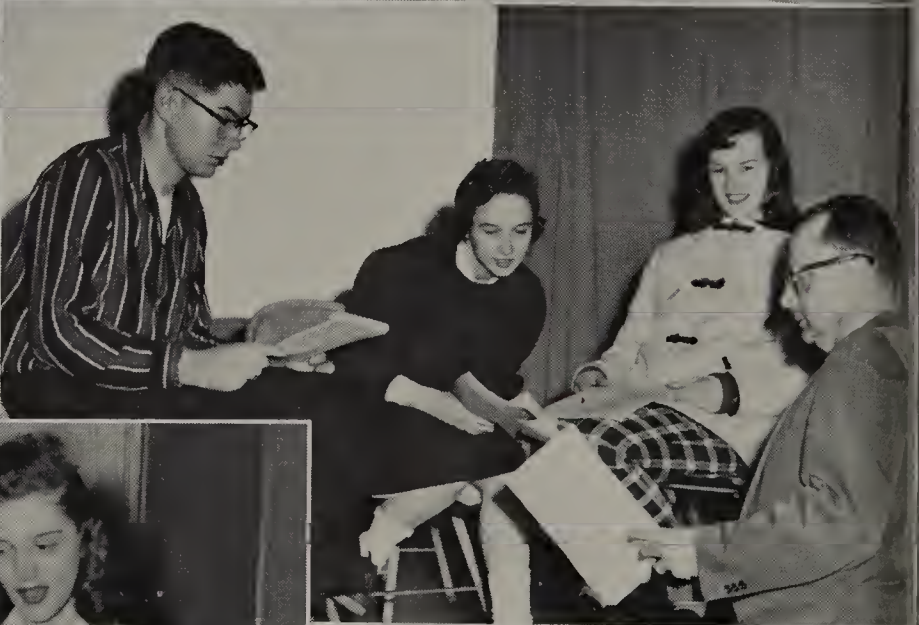

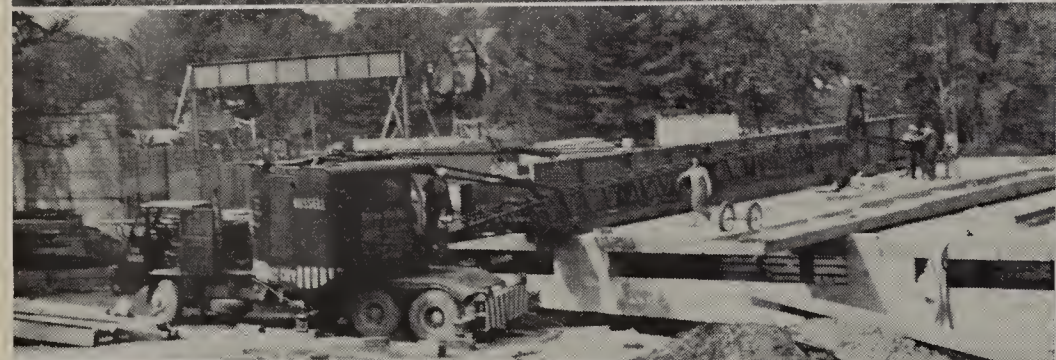

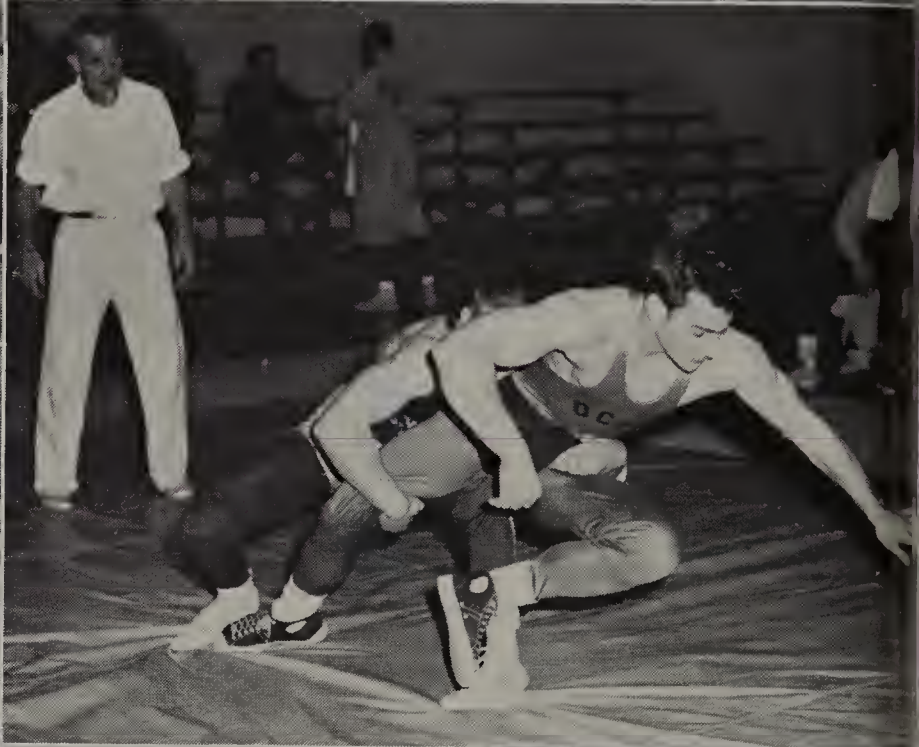

ONE of the most active of all campus clubs this year has been the Veterans Club. The main purpose of this club is to assist veterans in obtaining benefits in national, state and local legislation, and help new veterans entering OCCC.

On the social side, the Veterans Club started the college year off by sponsoring the first off-campus dance and by selling the first edition of the college newspaper. Along with the dance and many other functions, the Veterans Club also sponsored a spring picnic which proved to be a great success for all who attended.

During the second semester, the Veterans Club was kept busy with the drawing up of plans for a Korean Bonus from New York State and State aid to veterans for purposes of education. The Veterans Club also hopes to start a Student Directory.

Varsity Club

THE Orange County Community College Varsity Club is made up of men who have earned varsity letters in a sport. Earning a letter does not make them Varsity Club members automatically. They must first demonstrate that their interest is sincere in becoming a Service Club member. This is done by pledging for a week's time. The purpose of this pledging is that if a person successfully goes through pledge week and is voted into the Varsity Club by its members, his interest is sincere. The Varsity Club members are called upon to devote their services to the College and to the Community.

The purpose of the club is to be a service organization on and off campus, to familiarize the students of the college with the different varsity sports, to promote good sportsmanship on and off campus, and to bring athletes together.

There are two kinds of membership in the Varsity Club. The Collegiate member is a male student who has earned his letter in a varsity sport, and the Honorary member is the faculty adviser to the various varsity sports.

The Club this year has done and plans to do

the following things:

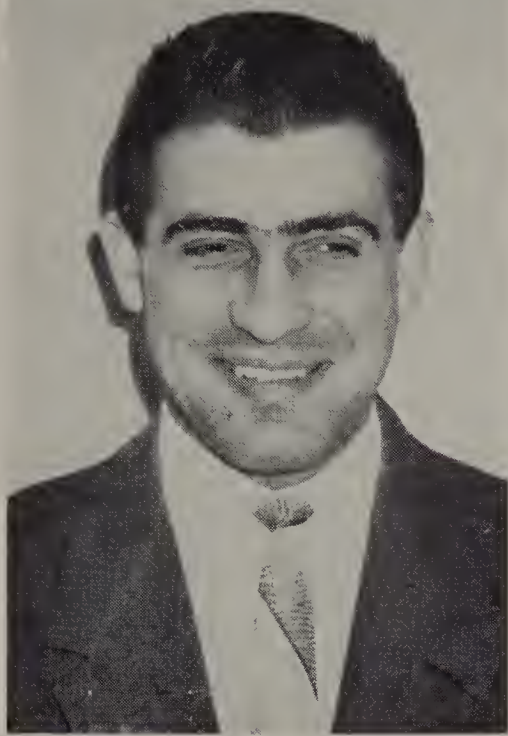

The entire Varsity Club marched in the Middletown Sports parade, along with the cheerleaders and the Girls' basketball team.

The Varsity Club had fall and winter sports schedules printed (cost of printing was again donated by the Student Activities and College Book Store). These schedules are sold by Varsity Club members at 10 cents each for the purpose of contributing money to:

- a. Middletown Little League.
- b. Middletown Babe Ruth League.
- c. To sponsor one under-privileged boy and girl to a year's membership at the Y. M. C. A.
- d. Purchase the Athlete of the Year's trophy and Plaque.
- e. A glass backboard for the new gymnasium.
- f. Donate \$10 for the Soccer Player's Banquet.

The Varsity Club held a Pledge Dance at the American Legion Lodge on November 22, 1957.

The Varsity Club will aid Mr. Chachis in the testing of 1500 of the Little League and Babe Ruth League Baseball players in April and May.

JOSEPH FAMELLETTE

Outstanding Athlete of the Year
1957-58

A TROPHY is awarded each year to the student who has been selected as the Orange County Community College outstanding athlete of that year. The trophy is given by the Varsity Club, and selection of the student athlete is made by the vote of the coaching staff and the President of the Varsity Club. Qualifications for the award are athletic ability, faithful training, contribution to athletics, and satisfactory scholastic standing at OCCC.

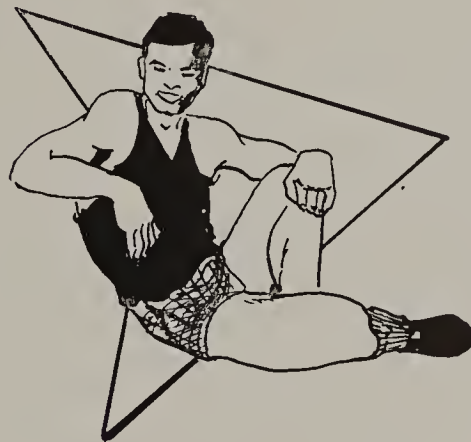

Joseph Famellette was the student chosen for this honor. He was by no means a star in all sports, but he was a star in football at Poughkeepsie High School and an outstanding Marine Sergeant before he came to Orange County Community College. Because we have no football at OCCC, he came out for wrestling for the first time in his life, and he was very successful as he was in Tennis and Sophomore Basketball.

Whatever athletic event Joseph Famellette

participated in, he put his heart and soul into it. Above all, he was a gentleman at all times, participating with true sportsmanship behavior.

He also did an outstanding job as a volunteer recreational leader for OCCC's community service programs for our local youth organizations.

Joseph Famellette was the year's outstanding physical education major. His future plans are to transfer to Springfield College where he intends to complete his B.S. Degree requirements in Health and Physical Education. He also plans to do graduate work towards an M.A. Degree.

SOCCER

STUDENTS returning in September found the varsity soccer team practicing under the watchful eyes of coaches Chris Chachis and Robert K. Lake. Their task was not an easy one, for they had to replace nine letter men who had performed for the crack 1956 squad.

The Orange men started their season off with an impressive victory over Pratt Institute. The Black Knights of the Hudson were our second opponents, and they rallied in the last three minutes by scoring four goals to give the Orange men their first defeat. Our third and fourth games were played at the Middletown State Hospital field, with a win over Union College and a three to three tie with East Stroudsburg. The biggest victory of the year was downing the Yale Frosh 2-1. Our next two contests found the Orange men losing two close games to Mitchell College and the Long Island Agricultural and Technical School by one point. The

next encounter found us battling to a 0-0 tie with the Hofstra Frosh. The season was climaxed with an exciting victory over Union.

At the conclusion of the soccer season, the college inaugurated an alumni game to be held every year. This year the alumnae proved to be the stronger of the two teams in a very exciting victory, leaving a score 1-0 on the record book.

As a tribute to the entire soccer team we of the college are very proud of the sportsmanship and teamwork displayed by the squad.

NEW HONOR FOR COACH CHACHIS

At the Winter meeting of the National Soccer Coaches Association, Chris G. Chachis, Director of Physical Education at Orange County Community College and Coach of Soccer, was named

Left to right: Mr. Lake (Assistant Caach), D. Dill, D. Baldwin, W. Barnes, P. Swenson, R. Daye, T. Eaton, I. Irkliewskij, B. Earle, Mr. Chachis (Coach), (back of Earle), P. Vignola, T. Smiehorowski, M. Tejada, H. Lazier, U. Schaafhauser, S. Pappas, G. Brackett, F. Schleutermann (Manager). Missing: R. Prause, (Player Manager) and R. Ellis.

Chairman of the Selection Committee to pick the Junior College All-American Soccer Team for 1958.

Long an active member in the national association and always eager to bring greater prestige to Junior College sports, Chachis advocated a year ago that two-year colleges not be excluded from All-American consideration.

He was asked to survey the Junior College soccer coaches to ascertain their feelings. As a result of his poll of 250 two-year institutions, the National Association decided to establish a Junior College All-American Team.

The COLT booters have been in intercollegiate competition for seven years with varying success. Outstanding players in the 1957 season who may return for the next year include: Steve Pappas, Ulrich Schaafhausen, Teddy Smiehorowski, Ivan Irlkiewskij, Bill Barnes and Dennis Baldwin.

Manuel Tejeda, big point winner for the last season, expects to go on to Elizabethtown College, Elizabethtown, Pennsylvania.

VARSIITY BASKETBALL

THE Orange County Community College courtmen started the season by defeating the Alumni team. Robert K. Lake was coach for the Orangemen throughout the season. The team's record was 7 wins and 14 losses. Although the boys had a losing season, it was a "winning season morally" as expressed by Captain of the team, John Modder, at the Winner Athletic Banquet. Mr. Lake made it evident that the Orangemen never ended their aggressiveness, although the team knew it was inevitable that they would lose at times. Because of the aggressive spirit, there were several games which might have gone either way.

Every team has its outstanding player. As far as the Orangemen were concerned, this player was Warner Westrau of Kerhonkson, N. Y. Wes made the third team of Section 15's All-Stars. He averaged 19.0 points per game

for the season, playing all 21 games. Second to him was Bill Lord of Port Jervis, N. Y., with a 9.0 average per game and a total of 189 points for the season. Bill was the only other man to play in all 21 games. John Modder from Tuxedo, N. Y., was the only returning player from last year's team. He was third with an average of 7.0 points per game and a total of 148 points for the season. John was not only an asset to the team as a ball player but also a morale builder.

Coming up late in the season were Walt Green of Chester, N. Y., and Tom Walters of Middletown, N. Y. They helped the team considerably when the courtmen lost some of their ballplayers at the end of the first semester. Little Lenny Henderson from Newburgh, N. Y., came through in the three remaining games of the season to reach double figures each game.

Back row, left to right: Mr. Lake (Coach), Fred Schleutermann (Assistant Manager), Jahn Madder (Captain), Denny Baldwin, Gil Bayd, Tam Walters. First row: Lenny Hendersan, Walt Green, Bill Lord.

Denny Baldwin from Goshen, N. Y., was injured for part of the season but returned and made up for his absence by playing commendable ball for the remainder of the season. Gil Boyd of Middletown often played during the latter part of the season. He is expected to return and be an asset to the team next year. Bruce Finch of Ellenville, N. Y., will also be a help to next year's team as he displayed promising potential

this year. Also returning will be Wes Westrau, Walt Green and Bill Lord.

Bob Prause, the team's manager, and his able assistant, Fred Schleutermann, were essential to the team. Without their carrying out the duties of managers, the team could have been disorganized. The basketball team's advisor was Dr. Manuel Rosenblum. He is considered one of the most likable persons on Campus and certainly proved this to the team with his moral backing.

To Mr. Lake and Dr. Rosenblum the team extends its gratitude.

WRESTLING

WHEN the mat season rolled around, Chris Chachis, varsity wrestling coach, found himself with only four returning veterans from last year's varsity squad. They included Willie Mellin, Jim Walyns, Pete Lazier and Stan Sadowski who was out for most of last season due to a knee injury. There was quite a job in store for Coach Chachis as there were twenty-eight men trying out for the team. The team was aided by the former OCCC star Paul Starky, the college's first student assistant coach. This strong, enthusiastic, hard working, good looking squad grappled their way to a 6 and 2 record. To supplement the weekly practice at the Y, the team met at the famed "Wrestling House," located at 19 Wawayanda Avenue, where most of the squad lived. There they worked out in their spare time under the help of Willie Mellin and Jim Walyns.

Some members of the team who are graduating intend to transfer to Elizabethtown College in Pennsylvania.

Willie (Big M) Mellin, a standout in the 147 lb. class, came to us from Blair Academy. He was elected Captain of the squad. Willie holds the very impressive record of being the only undefeated wrestler in the history of the college.

Jim (Tiger) Walyns was a standout for two years in the 130 lb. class. Jim was known for his guillotine, and he compiled a two year record of 12-4.

Pete (Rib-Crusher) Lazier, although handicapped with a night-time job, proved to be very tough at the 157 lb. slot.

Stan Sadowski, the good looking wrestler with the smashed nose, was outstanding with his defensive wrestling in the 137 lb. class.

All of these men intend to further their education at a four year institution.

GIRLS' basketball, which was organized at OCCC three years ago, attained a high degree of perfection during the current season. Combining skill with sportsmanship, the orange and blue attired lassies traveled about the state adding the name of OCCC to the official score books of winners.

Several towns of the area may be very proud of their girls; Barbara Magie from Chester smashed up points from all angles as did Ruth Dietz from Goshen and Winnie Greenier from Rockland State Hospital. On the other side of the basketball court, the opposing team's forwards were left pretty much out in the cold with Helen Karamachedis and Grace Diana producing quite a defense to break through.

The highlight of the girls' season was the excellent playing against N. Y. U. The Varsity proved to themselves and to the understanding and happy coach, Miss Diana, that basketball is up and coming in Orange County. But, as Miss Diana said, "It is the whole team that makes a season a success."

GIRLS who are interested in becoming cheerleaders attend practices held for about a month. They are taught three cheers by former cheerleaders. Each girl has to try out by herself. She is marked for pep, appearance and how well she knows the cheers by Miss Diana, the newly elected captain and Mr. Chachis.

The captain and co-captain are elected on a secret ballot by the members of the squad. This year's captain is Joanne Contos and co-captain is Winnie Kipp. The squad had two practices a week. At their last meeting, Barbara Magie was elected captain of the cheerleaders for next year.

The newly chosen squad for this year had their first opportunity to perform at Pratt Institute. This was their first soccer game and also the first victory. Except for Yale and Farmingdale, they attended all soccer games.

They started off the basketball season with the Annual Alumni game. During this season, Oblate Seminary was the only game the cheerleaders could not attend.

There was one over-night trip to Danbury and the following afternoon was spent in New York City. That evening the squad cheered at Farmingdale.

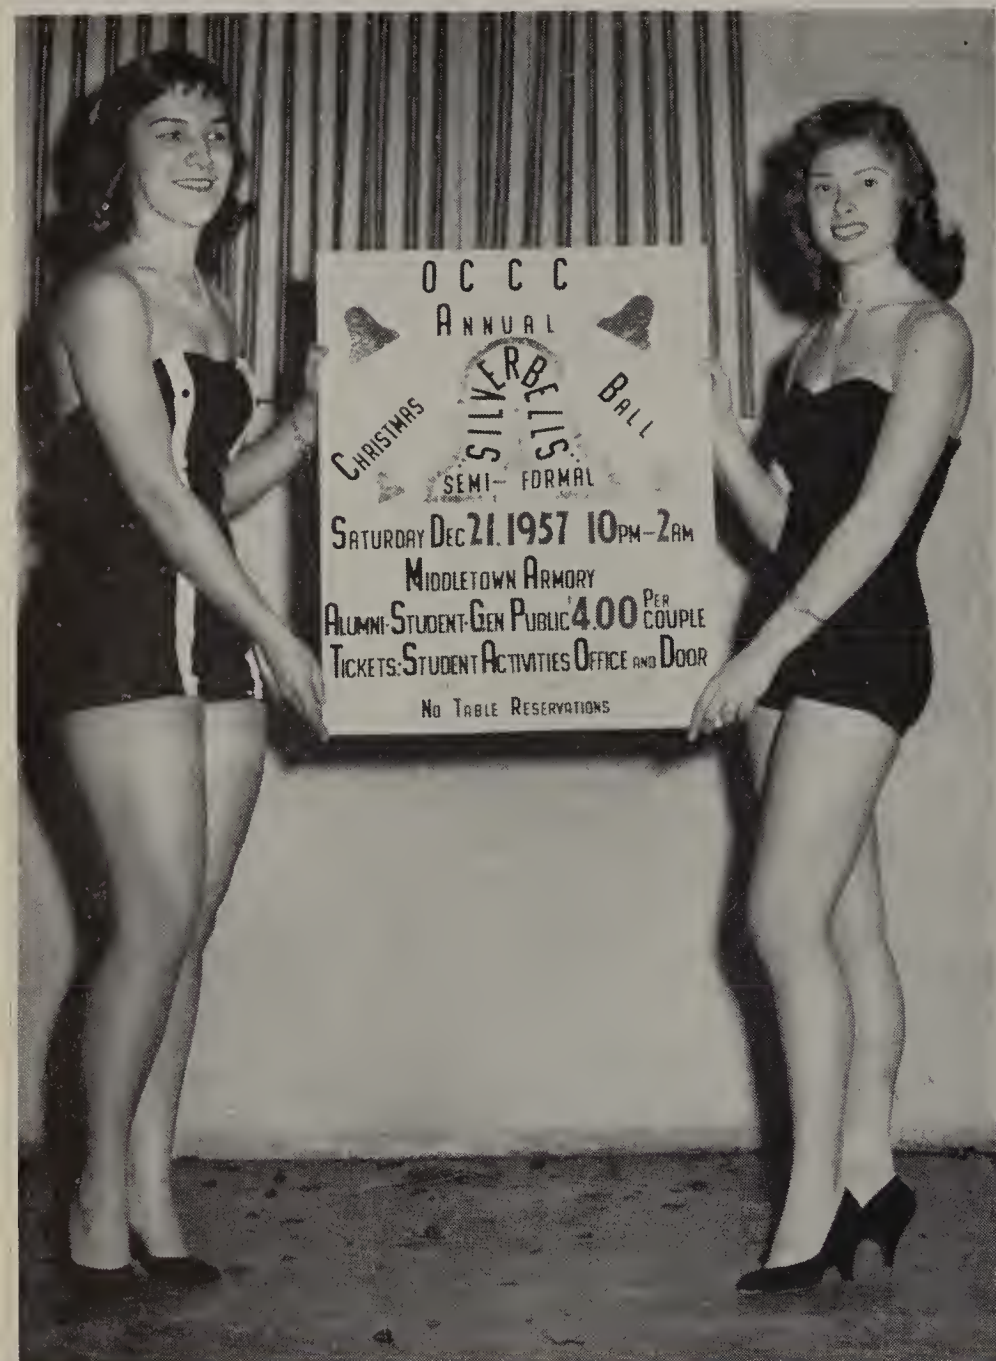

Other activities included a Soccer Pep Rally in October and the Soccer Pledge Dance to which the cheerleaders lent their support. The whole season ended with an all Sports Banquet where the cheerleaders were presented with their letters and certificates.

This has been one of the best years for the Orange County Cheerleaders consisting of seven regulars and three substitutes.

EVENING-EXTENSION AND COMMUNITY SERVICES DIVISION

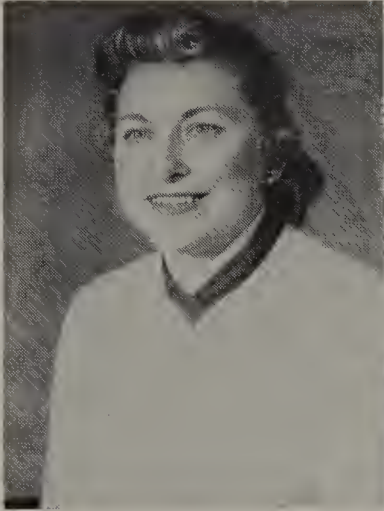

THE Evening, Extension and Community Services Division continues to play its role in carrying out the Community College philosophy of serving the community. This division offered instruction to over 2000 students during the 1957-58 academic year. These students come from all walks of life to take advantage of these offerings for self-development and advancement and range in age from 18 to 71 years.

The Evening Division student body elected an Evening Division Student Council this year for the first time in the history of the College. This group, under the leadership of their president, Marie Coffman, handled all student activity affairs of the Evening Division. The council made several contributions to the College of much

needed laboratory and library equipment. The council also sponsored a dance in cooperation with the Day Division and obtained the services of several lecturers who presented talks throughout the year.

The Extension and Community Services Division continued its service to teachers, dentists, doctors, lawyers, contractors, plant supervisors, banking personnel and people in the field of insurance and real estate. In addition to the on-campus offerings, courses were held in Monticello, Port Jervis and Poughkeepsie, New York.

The students in the Evening Division are taking full advantage of the facilities offered. This is seen by the fact that 12 evening students are graduating this year.
